

**VENETIA CONDOMINIUM ASSOCIATION  
RESIDENT EMAIL REGISTRATION FORM**

In order to provide timely notifications, updates and announcements to our owners and residents, we are requesting everyone to provide the Association with their email address for us to communicate with you.

Email has nearly become the default communication method for many of our residents and it's 'instant delivery' allows us to provide you with even more up-to-date information.

Please complete the section below and return to the front desk or management office. *Thank you!*

*As you would expect, we respect your privacy and will not sell, lease or transfer your name to any third party. This is solely for Association related communication.*

*Immediately we will add your name to our distribution list for Association related news and events as well as any other 'urgent notices' for our community. We envision more electronic services for our residents in the future - including notification of package delivery, sending emails to 'pre-approve' expected guests, and more.*
